ADVANCING WOMEN IN STEM SCHOLARSHIP

Women earn almost 60% of all bachelor's degrees in the United States, but they earn only 20% of computer science degrees, 20% of physics degrees, and 18% of engineering degrees. And estimates show that by 2018, the U.S. will face a shortage of more than one million STEM workers. This presents an enormous opportunity to better support young women in pursuing STEM-related careers, and Zenefits is committed to being part of the solution.

LEVIN FIRM SCHOLARSHIP

At the Levin Firm, our Philadelphia car accident attorneys value education and helping those in need. We also understand that school can be a significant expense and know how hard it can be for students and their families to make ends meet. Between housing, tuition, books, and school supplies, the cost of attending college or graduate school can easily rise into the tens of thousands of dollars, if not more. In an effort to make things a little easier for students and their families, we are pleased to be offering a bi-yearly (February & July) \$1,000 scholarship to individuals who are currently attending or planning on attending college or graduate school in the near future.

THE PAYSACLE SCHOLARSHIP: WOMEN IN STEM

PayScale knows that one of the most effective ways to close the gender wage gap is to encourage and support more women pursuing careers in the high-paying, male-dominated STEM (science, technology, engineering and math) fields. In order to help make this happen, we are pleased to announce the first-ever PayScale Scholarship. This year we will award a scholarship of \$2,000 to help support the educational goals of one exceptional woman actively pursuing an associate, bachelor's or graduate degree in a STEM field.
